MARCH IS EYE DONOR MONTH

Hi, my name is Jack. The Illinois Eye-Bank's mission to restore sight is very special to me. Because of the Eye-Bank, my wife Linda was able to give a second chance for sight to two people when she passed away.

Thousands of Illinois residents facing blindness have had their sight restored through the efforts of the Illinois Eye-Bank, and the generosity of donors like Linda. During National Eye Donor Month this March, I ask you to join me and the people on this calendar in paying tribute to our loved ones who have given the miraculous gift of sight. The best way to do that is by joining the Illinois Organ/Tissue Donor Registry. Visit www.illinoiseyebank.org today and click the *I Joined!* link to register your wish to become an eye, organ and tissue donor. It only takes a moment to change and save lives.
